

Update Letter

From the Lemon Family

Missionaries to the People of South Korea and Beyond!

Hello from Korea,

April-June 2017

Current

We have been here in Korea since 2011 with just a short trip back 4 years ago for grandparents to meet two new grandchildren. Please pray as we seek God's timing to return for a furlough. Abigail graduated high school last December and we celebrated this achievement last month. She is so glad to be done. Currently she is pursuing different baking classes here in Korea and abroad. Joseph will be finishing high school as well and thus we will return to consider possible opportunities. Again, please pray as we make plans for these events.

Around Korea

We have been able to make one trip to the "Beyond" regions of our ministry. We have one more planned soon in which Joseph will accompany us. This last month a missionary spoke in our church and Joseph surrendered to God's call to missions. As a missionary child, Korea is more home than a "foreign" mission field. It will be exciting to take him with us on one of our trips to reach those less accessible by conventional means. Please pray for this as he learns to trust God for provision and protection. One person heard about this and asked if he could give an offering to help cover trip expenses to encourage him. Praise God for those excited for young men surrendering to the ministry.

Continued Outreach

We are continually busy in our local area as expected. God has also allowed us to continue to go to preach every week at Hope Prison about an hour and a half away. As the name might indicate, it is Christian based, the only of its kind in Korea. We are given about 25 new inmates every 4 weeks. It seems that about half make a decision for Christ if we have them the full 4 weeks. Last week we had 6 make a profession of faith. Please pray that this door stays open. It is really a rare opportunity and truly has fruit that may abound. The Lord also allowed for us to hold a Life Management Seminar at one of our friend churches. I think it was as much a blessing for our family as for the church. We all need a steady diet of God's direction and constant reminders as to how to remain faithful yet efficient in our Christian walk.

Thank you all once again for standing by our side through your prayer and support for us here in Korea and beyond,

Joe, Kristin, Abigail, Joseph Jr., Jonathan, Vivian, Joshua, Jonah, and Jesse
