To know the love of Christ, which passeth knowledge, that ye might be filled with all the fulness of God."
Ephesians 3:19

Greetings in the Name of the Lord,

We are thankful for your prayers and encouragement as we continue in the work the Lord has called us to.

Medical Update

Over the past few weeks, I have had several good VA medical appointments, and we are now awaiting further diagnosis. I am grateful for a solid medical team that is providing wise counsel and direction. One significant note from my most recent visit is that the doctor took a special interest in the neuropathy and pain I have been experiencing on my right side, as it does not align with my previous diagnosis. This has led to a more thorough evaluation, and I appreciate your prayers for wisdom as we move forward.

New and continued Ministry Opportunities

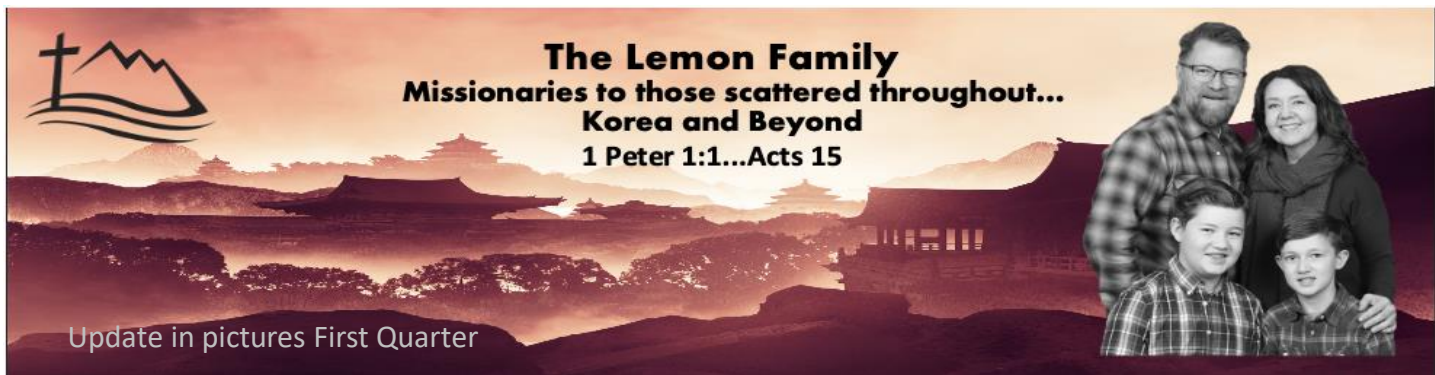

The Lord has opened doors for new remote ministry opportunities focused on access-restricted countries. Much of this work centers around supporting the underground church with essential training materials, Bibles and tracts. We are grateful that the Lord has already provided for all financial needs in this endeavor, and we look forward to seeing how He will continue to use this for His glory.

Upcoming work– Korea, Thailand, and Cambodia (Our “Beyond” ministry)

We will be heading back to Korea on April 11, returning May 10th. During this time, we will also take a 10-day trip to Thailand to continue assisting with the church plant there. Additionally, we will endeavor to make initial connections in Cambodia to explore potential Church planting and training opportunities. Please pray for wisdom, discernment, and fruitfulness in these efforts.

We deeply appreciate your prayers and support as we continue in His service. May the Lord bless and strengthen each of you as you labor in your own fields for His glory.

Grateful to serve,
Joe Lemon and family.

Please continue to pray for the
