Dear Pastors and Supporting Church Family,

January 2026

I pray this letter finds you well, serving our Lord. My Name is Pastor Roy Ward, and I serve as pastor of New Life in Christ Baptist Church with my wife, Jenny, and our four children. I am writing to formally introduce myself and to establish a clear line of communication regarding our church's relationship and partnership with Missionary Joe Lemon and his family.

Over the past year, Brother Lemon and I have spent considerable time discussing ministry vision, direction, and accountability. Through this process, we have prayed together and diligently sought the Lord's guidance for both of us. I have personally spent countless hours reaching out to several pastors seeking godly advice, as we know the scripture says in Proverbs 11:14, "Where no counsel is, the people fall: but in the multitude of counsellors there is safety." It is through this biblical and godly counsel that I can say with calm assurance that God has unified and knit our hearts together for the furtherance of the Gospel to the people of Korea and Beyond.

I first met Brother Joe and his family in 2003. In all those years, I can personally attest to their family's character and faithfulness to God. Their commitment to the ministry that God has entrusted to them is unwavering. It is our privilege to partner with them and serve them in a more direct, supportive capacity.

One of the primary areas we are assisting with is managing their financial support, ensuring accountability, clarity, and proper communication with their supporting churches. If you have any questions regarding this partnership, their ministry, or the updated support process, please feel free to contact me directly. I would be honored to speak with you.
